

Floraline Floralwall SP4 SpaceSaver

We've reduced the footprint of our SP model to create this compact version. This is a refrigerated, self-watering floral fixture at a classic height with full lighting. This new model retains all the great features that you've come to expect from Floraline in a space saving package. Our new style also positions the flowers closer to the case front to drive that impulse purchase.

Features:

- Self-watering - Automatic drain and fill cycle using our proprietary electronics.
- Automatic water level sensor - always have vases full of fresh water.
- Soft Air Flow Environment - evenly distributed floral envelop, sealed with our air curtain to simulate a closed door case.
- Consistent 36° F. air temperature.
- High Humidity - 65% to 80%.
- 15° forward lean, locking vase collars - ensures your bouquets are displayed properly.
- Polyurethane foamed in place insulation.
- Your choice of laminate and trim packages to match any color palette.

Capacity: 22 vases / 66 floral bunches.
